Tahko-Arena team is doing well!

11.11.2009 10:21 |

Tahko-Arena team after 2 days and 22 hours of racing is doing well, collecting all mandatory and optional checkpoints. Currently teams are on long 41.1 km trekking (stage S2S3 called "Turistrela Adventure"). It is 2506m total ascend on this stage. There are whole bunch of mandatory and optional checkpoint, and girls are managed to get all of them so far.

Next section will be 21km MTB downhill followed by 20km kayaking stage. It will be long 96km MTB section afterwards, with 2,5km total ascent. Leaders estimated speed for this stage is barely above 11km/h. Keep fingers crossed!
